

The path of Evolution is 2 3 4 5 6 7. It proceeds from Purple and ascends on the left, then crosses to the right and ascends on the right. The path of Apparent Causality is 2 5 3 6 4 7. It proceeds from Purple and goes left to right then ascends one step then goes left to right then ascends one step and goes left to right. The diagrammatic relationship can be seen by locating seven positions equally around a circle, then numbering those positions according to the apparent speed of movement of the seven planets. 2 3 4 1 5 6 7, that is Moon Mercury Venus Sun Mars Jupiter Saturn. Then reading in the Causality order of 1 2 5 3 6 4 7, Sunday Monday Tuesday Wednesday Thursday Friday Saturday, will generate a regular seven pointed star.
