

Let-it-be-so is neither active nor passive.

It is your ability to choose that you allow to do its own choosing.

What you get is what you would have chosen in retrospect.

Because the change is Always-has-been, it can be so abrupt and different that it can be called Magic or Miracle, but nothing

Supernatural is implied.

It is part of the natural order of things. But it must be learned and understood by Foresight as it is not supported by the present

Extelligence or Matrix.
