

Recursion

Recursion is the underlying relationship between
 Evolution and Reaction
 it brings things back upon themselves so that
 the Positive becomes more Positive and stable
 and the Negative becomes more Negative and diminishes itself
 it is a long term state of affairs that stabilizes the Good
 and causes the Evil to become especially nice Good
 the sequence of Recursion is the sequence of the Phoenix

B P D Ts N G M W Z S R L K Q Sh Hh T Th

Ba - Internal Reflection, beginnings
 Pa - Internal Reflection of Reflection, foresight, conception
 Da - External Reflection, images, representatives
 Tsa - External Reflection of Reflection, invisible influences, Matrix
 are the beginning and foundation that define the goals and meanings so the
 beginning and end are defined at once
