

B P D Ts N G M W Z S R L K Q Sh Hh T Th

Loo - Internal Control, classifications, focus
 Koo - External Control, reflexes, defaults
 Qoo - External Control of Control, meaningful randomness
 are the redirection of force that balance all the internal conditions

Sho - Internal Action, resolution
 Hho - Internal Action of Action, combinations, adaptations
 To - External Action, confrontation, adversarial resolution
 Tho - External Action of Action, choosing to choose
 are the internal adaptations to conflict that produce resolution of conflict

Recursion depreferentializes good and potentializes bad to produce better
 good and acceptable bad on a long term basis
 it is Karma going around and coming around and producing new good and new
 bad constantly
 and then depreferentializing the new good and potentializing the new bad
 and thus supporting Evolution and Reaction
