

A E I O U

but the Alephbet does not include

U - clear - sun

Center

The self which is defined by specific absence
within the Tetractys

Time - would bring Karma in as an immediacy

U as a 23rd letter would be Recursion that is proceeding now
for a Recursion to be a resolution of what would eventually be,
time must be cyclical

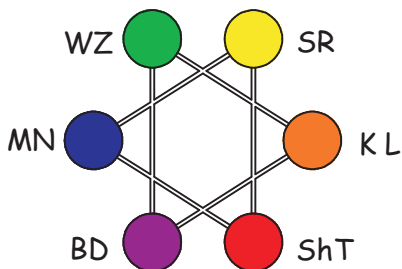

and so the Alephbet has 22 letters and does not include U
thus Moses' staff was 23 inches long

Moses' staff was the immediate determinant of miracles
and Aaron's staff was 22 inches long

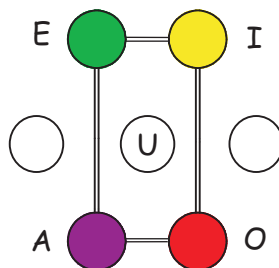

Aaron's staff though it was dead, came to life

U is the star, that is specifically not there,
at the end of the wand
