

The Grammar of the Ebionites

The figure below shows the cardinal directions according to the Tetractys. South is at the top, North at the bottom. East is to the left and West to the right.

1 Clear Sun U at the Center, 2 Purple Moon A at the North where the Sun is Absent, 4 Green Venus E at the East where the Sun is Born, 5 Red Mars O at the West where the Sun Dies and 7 Yellow Saturn to the South I where the Sun is Complete at its Extreme height.

A E I O with U at the center
